

Hesketh Henry

Complimentary Parking

We are located at Level 14, 188 Quay Street

When you arrive at the Downtown Carpark your licence plate number will be scanned and the gate will open for you to drive in. You will only be issued with a paper ticket if the system cannot read your licence plate. After your meeting at Hesketh Henry you will collect a payment voucher from reception to use when departing the car park.

When you arrive in the lobby of the tower, there are consoles at each entry point that operate the lifts. Please type in 14 and it will allocate a lift letter. Enter the allocated lift and you will arrive at reception.
